

Athletic Code of Conduct

It is a goal of our school and the TCAA to have an excellent community, school and athletic program which we can be proud of. As a student athlete and representative of Hood Canal School you are asked to read and agree to the following guidelines.

1. I will be on time and prepared for practice and games.
2. As a member of the team I will be courteous, respectful and practice good sportsmanship to teammates, opponents, teachers/coaches and officials.
3. I understand that it is a privilege to represent my school and proper behaviors required in class, practice, and athletic contests.
4. I will use appropriate language at all times.
5. I understand that good sportsmanship is a must. Criticizing, blaming or disputing with my teammates, coaches, opponents or referees is not acceptable.
6. I will be respectful of other schools' staff members and facilities.
7. I will be alcohol, drug and tobacco free.
8. I understand that commitment to practice and games is required. I will communicate any scheduling conflicts with my coaches.
9. I understand that all team members are required to support their team for the entire contest.

Being a student athlete requires more than being a team member. It often causes demands that may require personal sacrifices. Being a team member is a privilege. If an individual student athlete is willing to put the needed effort into athletics, he/she will be rewarded for those efforts.
