

Hood Canal School is a Community Eligibility Provision (CEP) School

That means all our students eat breakfast and
lunch at **NO CHARGE!**

We are committed to equipping every student with the tools needed to succeed, including nutritious meals that they can enjoy together. When all our students gather for a meal together, our Commons becomes a place to:

- ◆ try new foods
- ◆ make healthy choices
- ◆ fuel up together for learning and play

We are pleased to announce that every enrolled student can eat for free!

No application is required.
