- Two Communities

ONE VISION
A February 13, 2018 capital bond measure to build a high school for the communities of Hood Canal and Pioneer school districts.
TIMELINE

• November 2016-Present
  • Became aware of our cost of the Shelton High School Bond
  • Began researching ways to respond to cost proposal
  • Joint School Board Meetings (HCSD/Pioneer) to consider options
  • Create a community input plan to include community survey
  • Conduct community presentations
  • Information gathering for cooperative high program
  • Met with state and county officials, local businesses, and community leaders to discuss program, cost, partnerships, and land options
  • Board approved Bond Resolution
  • Informational meetings throughout Mason County
SURVEY RESULTS

• The decision for establishing our own cooperative high school was based on feedback and input from a series of community forums and an online survey conducted in the spring of 2017.

• Of the 833 responses collected, 72% supported the cooperative high school option.
INNOVATIVE

• S.T.R.E.A.M.S.
  • Science, Technology, Engineering, and Mathematics
  • Add Reading (Literacy), Arts, and Service

• Career Pathways through Business Partnerships
  • Aquaculture and Forestry
  • Project Based Learning
  • Dual-credit opportunities

• Job ready, apprenticeships, two-year, or four-year
COMPREHENSIVE

• Academic 24-Credit Graduation Requirements
  • 17 Core Courses
  • 3 Personalized Career Pathways
  • 4 Electives

• Extra Curricular Athletics
  • Girls (Volleyball, cross country, basketball, wrestling, golf, softball, tennis, track, cheerleading, drill team, and soccer)
  • Boys (Football, cross country, basketball, wrestling, golf, baseball, tennis, track, cheerleading, drill team, and soccer)

• Co-Curricular
  • Band, Drama, and Choir
SIZING IT UP

#1 South Kitsap — 2,024 students*

#203 Our High School — 408 students*

#384 Oaksdale — 27 students*

* In grades 9–11

With a combined 408 students in grades 9-11, our cooperative high school would be a WIAA Single A (1A) school, joining 64 other schools in the classification.
• $60-70 million for construction of a high school
• 100,000 square feet – 750 students
• Hood Canal and Pioneer School Districts will each contribute $30 million to the project
• $5-10 million (anticipated state match)
• Working to secure location/site
• Anticipated Revenue
  • Estimated annual state revenue at $5.6 million (does not include local or federal revenue)
• Mason County Projected Growth
CONCEPTUAL DRAWINGS
