

HOOD CANAL SCHOOL DISTRICT #404

Reaching Our Highest Potential. Together.

Hood Canal School District is cultivating an inclusive, supporting learning environment that engages the whole student in a community that promotes collaboration, communication, and academic achievement through critical thinking and problem solving.

1

Embed STREAMS Into the Curriculum

- Focus on science, technology, reading, ecology, arts, and math service.
- Expand BOOTS and Riparian- an outdoor, team-building education program.
- Create space for art, music, and project-based learning.
- Improve academic achievement for all.

2

Develop Culturally-Responsive Employees

- Promote equity to meet the needs of all learners.
- Recruit, mentor, and develop excellent educators.
- Celebrate the traditions and practices of the Skokomish Tribe.

6

Uphold Fiscal Responsibility

- Demand responsible fiscal accountability and compliance.
- Communicate in a transparent manner with the school and community.
- Align all expenditures to the District's learning priorities.

Six priorities to improve academic achievement.

3

Focus on Early Learning

- Expand our current preschool offerings.
- Provide free, universal preschool for all.
- Enhance play-based learning.
- Boost readiness for academic achievement.

5

Strengthen Partnerships

- Solicit perspectives and voices of families and community.
- Collaborate with other school districts and universities.
- Form an alliance with businesses and organizations.

4

Cultivate a Safe and Inclusive Climate

- Include children with special needs into general education classes.
- Strengthen multi-tiered systems of support, so no student falls through the cracks.
- Responsive to the impacts of childhood trauma.
