

Parent Code of Conduct

It is a goal of our school and the TCAA to have an excellent community, school and athletic program which we can be proud. Parents and family members play a vital role in the development of student athletes and the success of the Hood Canal School District athletic program. Therefore, we expect parents/guardians to agree to the following guidelines:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice or other Hood Canal athletic event.
- I will place the emotional and physical well-being of my student athlete ahead of my personal desire to win.
- I will support the activities director, coaches and officials working with my student athlete, in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my student athlete that is free from drugs, tobacco and alcohol and will refrain from their use at all Hood Canal events.
- I will remember that the game is for the student athletes – not adults.
- I will do my very best to make athletic participation fun for my student athlete.
- I will ask my student athlete to treat other players, coaches, fans and officials with respect regardless of race, sex, creed or ability.
- I will help my student athlete enjoy the athletic experience by being a respectful fan.
- I will help student athlete and their coaches by shouting from the sidelines only to applaud and encourage them. I will work with coaches to teach my student athlete that the bad calls and good calls even out – in sports as in life. Similarly, I will help my student athlete see that, in sports as in life, they will sometimes play well and lose, or play poorly and win. I realize the only sensible goals are to have fun and improve their skills. I will encourage my student athlete to participate in sports for the enjoyment of the game.

I have read this document and understand the expectations placed on me as a parent/guardian of a student athlete involved in the athletic program at Hood Canal and by signing this document.
